

Kroger Card Fundraiser for RR Youth Program

The RR Youth Program has our own Kroger reward account. Help raise money for your RR Youth, shop at Kroger and use your Kroger Rewards Gift Card!

Kroger Rewards Gift Cards can be used for groceries, prescriptions, photo center, u-scan purchases, and at the Kroger fuel centers. You can still take advantage of the Kroger Plus promotions and use your credit card to earn points or miles (you just add value to your rewards gift card by charging the desired amount to your credit card, writing a check, or paying cash). This easy fundraising program costs you nothing, but earns 4% of everything you spend at Kroger for your individual RR Youth Program (if you use your Kroger reloadable gift card).

- The more you reload your rewards gift card, the more money you can earn towards RR Youth Program fees! Kroger will donate 4% of every dollar reloaded to the reward gift card. Example: spend \$400 a month and earn 4% which equals \$16 in rewards. Multiply that by 12 months and you could earn \$192 that year towards your RR Youth Programs. What a great way to help offset confirmation and HS program costs. Each card has an individual id #. This id# will be associated with your family Kroger fundraising account and all money earned by that id# will be available to you to use towards RR Youth Program fees.

If you would like to earn money towards your RR Youth Programs please let me know. The "cost" of a Kroger rewards gift card is \$10 - the card you receive will have a value of \$10 pre-loaded. Questions? Contact Michele Febock via phone #593-5421 or email rrlcconfirmation@gmail.com.

Kroger Card Fundraiser for RR Youth Program

I have enclosed \$10 for each card. Please send me ____ card(s).
