Upward Basketball Chair Team

The Upward Basketball season at Royal Redeemer has begun! In order to make this a success, we need help to remove chairs and turn our worship center into a gym and then get it ready every weekend for worship services on Sunday. When we have a large group (10 minimum) this task will take 30- 45 minutes at the most. Register under 'sign ups' on the website.

I Don't Have Enough Faith To Be An Atheist

Monday Nights beginning January 23
6:30-7:30pm / Room 301

To some, the concept of having faith in a higher power or a set of religious beliefs is nonsensical. Indeed, many view religion in general, and Christianity in particular, as unfounded and unreasonable.

Norman Geisler and Frank Turek argue, however, that Christianity is not only more reasonable than all other belief systems, but is indeed more rational than unbelief itself. With conviction and clear thinking, Geisler and Turek guide readers through some of the traditional, tested arguments for the existence of a creator God. They move into an examination of the source of morality and the reliability of the New Testament accounts concerning Jesus. The final section of the book deals with a detailed investigation of the claims of Christ. This group will be interesting for those skeptical about Christianity, as well as a helpful space for Christians seeking to articulate a more sophisticated defense of their faith.
