## Middle School Mondays

Beginning January 9

Monday evenings

6:30pm-7:45pm

Royal Redeemer will be transformed into an irresistible atmosphere for Middle School students! We are committed to engaging Royal Redeemer's younger families outside of Sunday morning worship, and helping students grow in their faith and friendships. To that end, Zach Kehling and our Senior High students will host Middle School Mondays around Royal Redeemer's campus. Students are encouraged to attend and invite friends in the community.

Options for Adult CGS Groups will also be available, including Iron Men and a new Apologetics study.

## I Don't Have Enough Faith To Be An Atheist

Monday Nights beginning January 23

6:30-7:30pm / Room 301

To some, the concept of having faith in a higher power or a set of religious beliefs is nonsensical. Indeed, many view religion in general, and Christianity in particular, as unfounded and unreasonable.

Norman Geisler and Frank Turek argue, however, that Christianity is not only more reasonable than all other belief systems, but is indeed more rational than unbelief itself. With conviction and clear thinking, Geisler and Turek guide readers through some of the traditional, tested arguments for the existence of a creator God. They move into an examination of the source of morality and the reliability of the New Testament accounts concerning Jesus. The final section of the book deals with a detailed investigation of the claims of Christ. This group will be interesting for those skeptical about Christianity, as well as a helpful space for

Christians seeking to articulate a more sophisticated defense of their faith.
